Neighbour to Neighbour

People share thoughts that reflect the value of gathering with their neighbours

"Unique to this event was the opportunity to get to know neighbours from surrounding streets - people whom we knew to see as they walked down our street and now we had a chance to say hello and become acquainted. Reiterates the supports we provide to each other including a wonderful sense of community." - Carlyle Place Circle

To ensure that your activity qualifies your neighbourhood for the \$20,000 capital improvement grant draw, give us a call or email.
