

# Celebrating More Inclusively

With every gathering take the Festival of Neighbourhoods REACH! Inclusion Challenge to be more inclusive, welcoming and accessible to all.

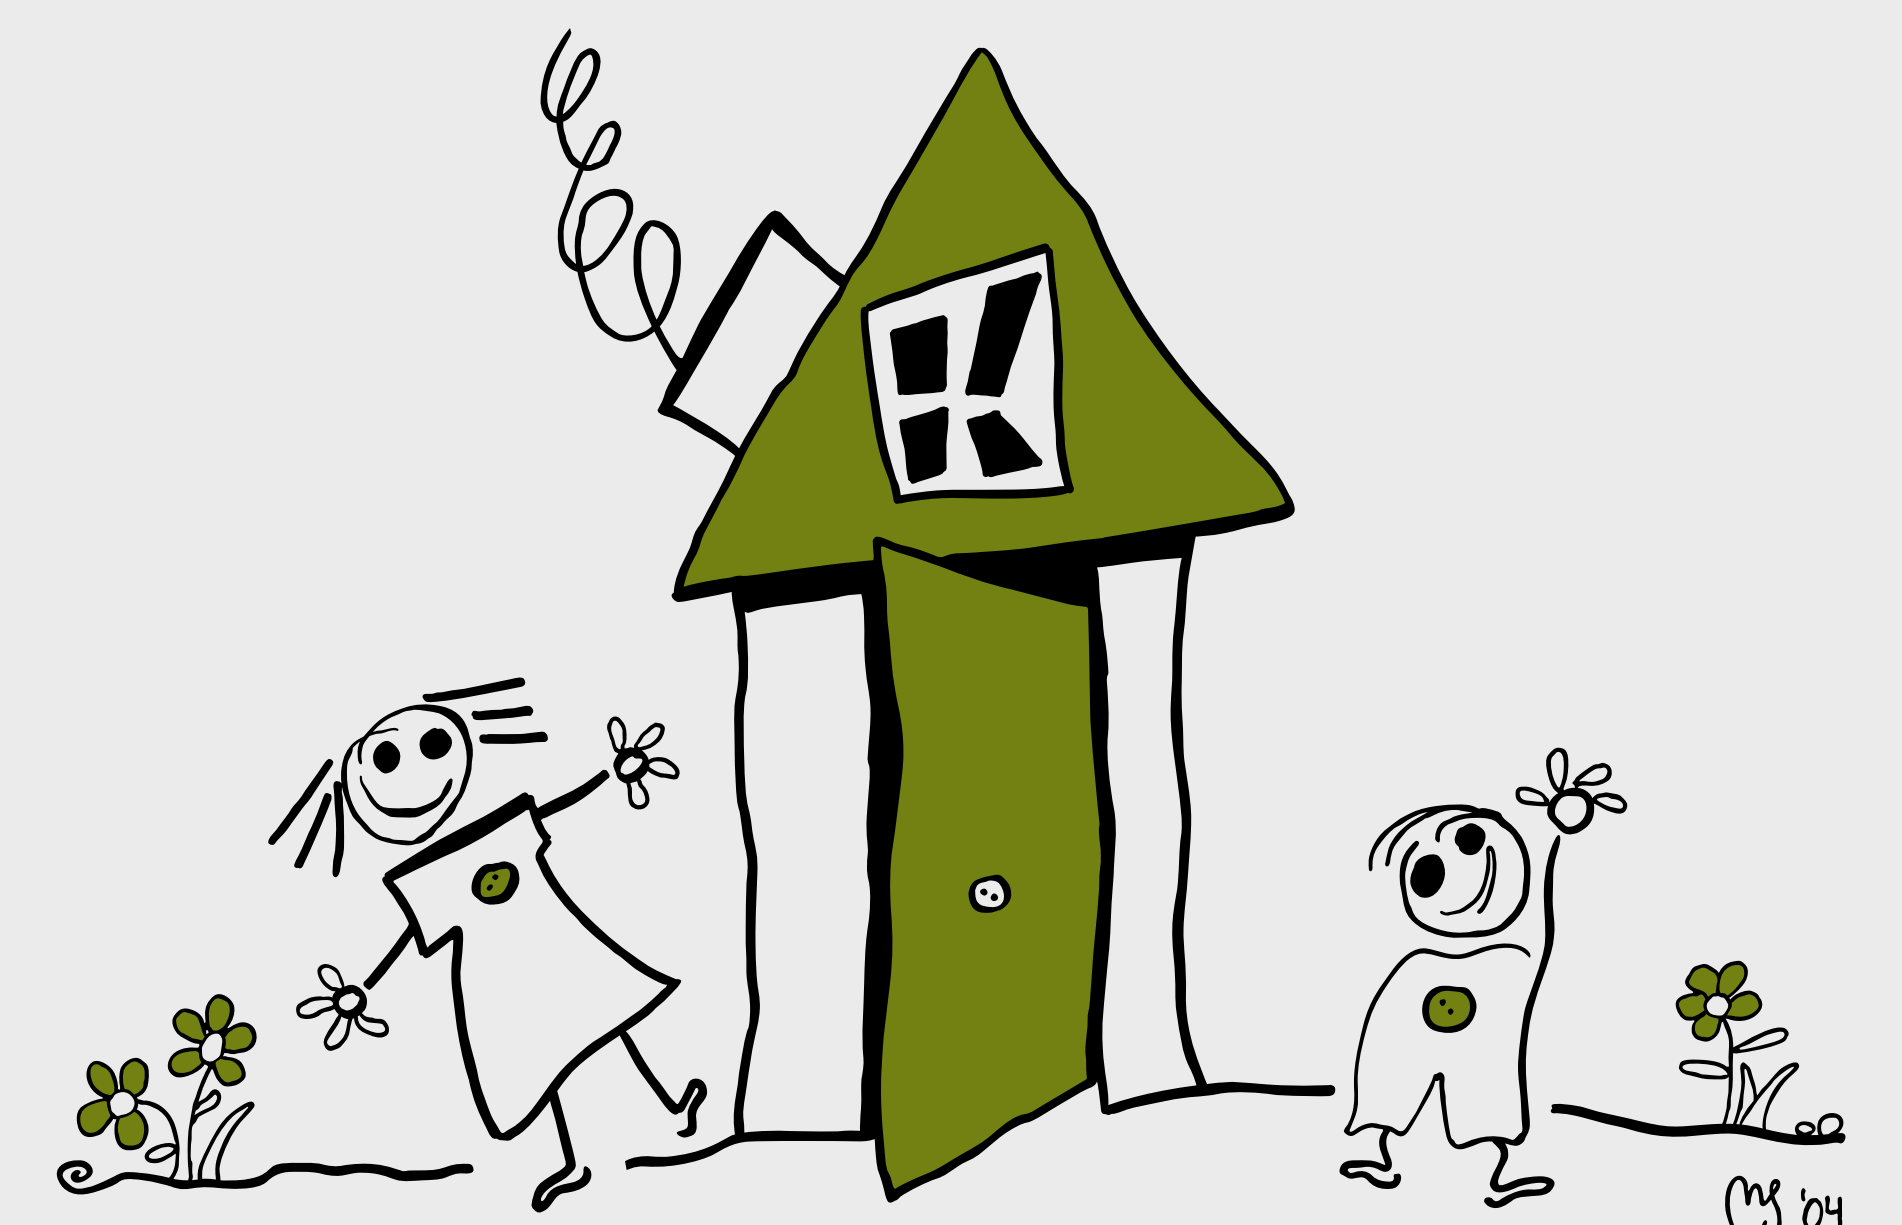

*“People were able to talk about issues pertinent to their lives, which brought the community closer together”*

*“No event can be 100% inclusive but we need to strive to ensure that it is accessible for all. We can improve each time we organize an event!”*

Paula Saunders,  
Independent Living Centre  
Waterloo Region

Festival of Neighbourhoods  
✿ Kitchener ✿

*“People in the community came together crossing many barriers of income and language to have a good time”*
